Reference Number: 30 Day Post-General Report (10/14/04-11/22/2004)

To Whom It May Concern:

We are in receipt of the Commission's letter regarding the above referenced report. Please see below for our Committee's explanation. Thank you for the opportunity to respond.

It turns out that the two questions you raised are related. An original contribution was received by Mrs. Donald Leebern for \$4000 and reported as such on a 48 hour notice on 10/26/2004. Subsequent to that, we learned that the contribution was actually intended to be attributed equally between Mrs. Leebern and her husband Donald Leebern. We made this adjustment and this is how it was reported on our Post General report. So, the contribution was reported in its entirety on the 48 hour notice and on the subsequent report as well, albeit attributed between the two spouses.

We hope that this clarifies our filings. Please feel free to contact us if you have any further questions.

Thank you,
Gingrey for Congress
